

Subject: Request for Permission to Host Technical Event: "Introduction to Robotics and Automation"
– NOVUS 2026

Dear Dr. [HOD's Last Name],

I am writing to formally request your permission and approval to organise and host a technical workshop titled "**Introduction to Robotics and Automation**" as part of our upcoming annual technical fest, **NOVUS 2026**.

The primary objective of this session is to provide 1st-year students with foundational knowledge and practical insights into core robotics principles, sensor integration, microcontroller programming, and industrial automation.

Event Details:

- **Event Title:** Introduction to Robotics and Automation
- **Proposed Date & Time:** October 10, 2026, 11:00 AM – 1:00 PM
- **Duration:** 2 Hours
- **Target Audience:** 1st-Year Engineering Students (Expected participation: 60–80 students)
- **Venue:** KLH Bachupally Grounds
- **Registration Fee:** Free of Cost (Nil)
- **Resource / Infrastructure Needs:** Seminar hall setup, projector, audio system, basic lab equipment, and seating arrangements.

We will ensure that all venue facilities and equipment are handled with complete care and responsibility throughout the event.

Thank you for your time and continued support toward student initiatives. We look forward to receiving your guidance and approval.

Yours sincerely,

Pranav, 2620040136

Harshith, 2620040115

Harsha, 2620030077

Rishith, 2620030126

ECE, 1st Year
