About

I am a B.Tech student specializing in Electronics and Communication Engineering at KLH, Bachupally, with a strong interest in electronics, coding, robotics, and emerging technologies. I enjoy developing projects that combine hardware and software while continuously expanding my technical skills.
I participated in the World Robot Olympiad (WRO) Season 2023, where I showcased a project I worked on, gaining valuable experience in project development and presentation. I have also participated in a state-level skating competition, which strengthened my discipline and perseverance.
Outside academics, my interests include reading and video editing, allowing me to explore my creativity while continuously learning and improving.
